- You are feeling outdated and helpless by the thought of this thankless task.

- You desire to introduce best practices of eVoting, that will be admired for ever.

- You have witnessed security breaches and inefficiency in paper ballot based voting.

- You want automation but possibility of unpredictable outcome concerns you.

THEN

Your search for the solution ends here...

POLL GATEWAY

POLL GATEWAY
Your gateway to easy, fair and reliable eVoting

WHAT

Efficiently conducting eVoting, that incorporates Best Practices, in a hassle free manner.... Just subscribe to our secured, cloud based solution on annual basis. You focus on other matters of managing the organization and leave the specialized task of eVoting to the specialists- The PollGateway

WHEN

There is a legal mandate from the association to conduct eVoting.... It could be for a post/s contested, a resolution/s to be passed or simply an opinion to be sought on important issues. Initiate the process two months in advance for a fresh registration and a month in advance for a subsequent eVoting on PollGateway.

HOW

visit www.pollgateway.com and click on the 'Registration' menu.... Fill up your organizational details and submit the request. PollGateway team will revert and assist you to choose appropriate subscription pack, answer your queries and handhold you in the initial phase. You can use our online 'Chat' or inbox us on info@pollgateway.com

WHY

At PollGateway, we understand the importance of ethically conducting elections and your concern about security and privacy.... That's why PollGateway is so simple to use yet foolproof. It is thoroughly tested for process and web security by a third party for penetration and vulnerability assessment testing as per OWASP standard , and subscribed / endorsed by reputed professional associations.
